ENGINEERING INVESTMENT GROUP ENGINEERING INVESTMENT GROUP ENGINEERING INVESTMENT GROUP

ENERGY. DIVIDEND. SUSTAINABILITY.

EDS is an engineering and investment group that designs, manufactures, builds, and launches integrated energy facilities that simultaneously provide energy, income, and stability. We operate according to market rules, implement complex engineering tasks, and are accountable for the results.

SCALE AND EXPERIENCE

600+
professionals

100+ units of own
specialized machinery

3500+
completed projects

18886 m²
of manufacturing facilities

2,5 GW+
Designed generation
facilities and BESS

30 MW+ of solar power plants
(SPP) under own management

450 MW+
of built industrial
solar power plants (SPP)

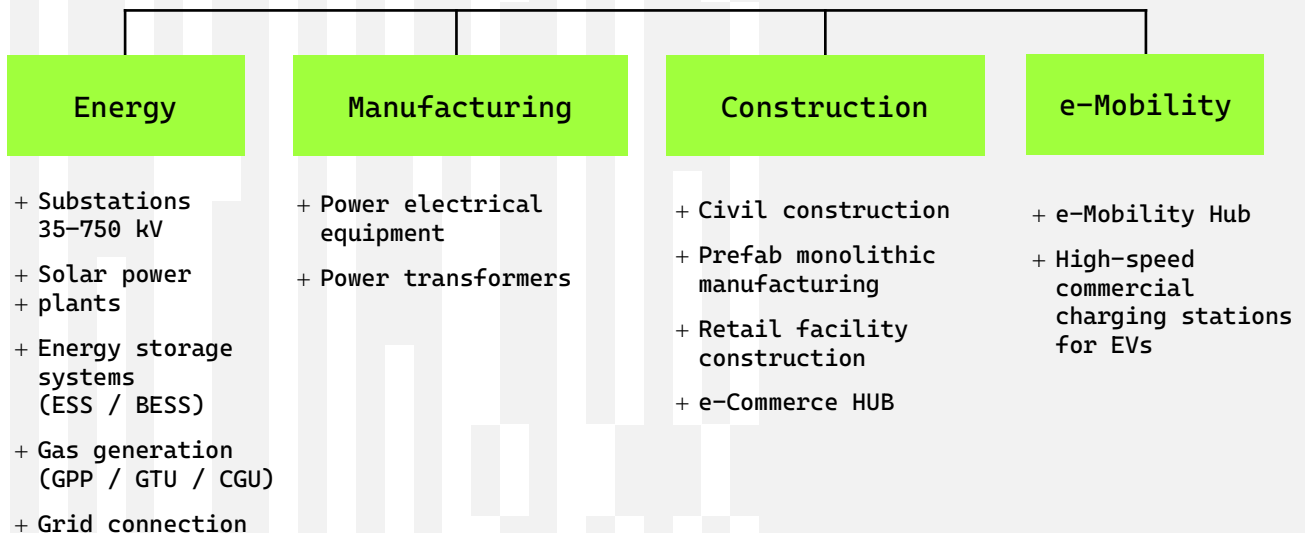

8500+ units of power
electrical equipment produced

320 MWh
built BESS

The Group has been operating since 2010, uniting four strategic areas under one brand: Energy, Manufacturing, Construction, and e-Mobility.

SUPPLY OF ENERGY EQUIPMENT

part 1/11

Type of Equipment	Project / Location	Client	Date
10 kV switchgear panels	Chernihiv region	Epicenter-K LLC	2025
Supervision of installation	Novoselivka village		2025
10 kV cells, TP 101	Dnipro region, Yelyzavetivka village	Oril Leader PJSC	2025
Factory-made transformer substation 1600 A, including 0.4 kV distribution device with 7 cabinets with NEO Electric circuit breakers, network analyzers and ATS; reconstruction of two KRU-2-10 type cells with EDS-Power vacuum circuit breakers; re-equipment of customer-provided input, based on RCV3-A2.0 microprocessor device and KRU cell adaptation kit. Power transformer 1000 kVA 10/0.4 kV, TMG type, standard losses	Dnipro	Continent-Group LLC	2025
KZO 10 kV cells KZO 35 kV cells Voltage transformer TV KRPS-35 kV	Dnipro	Interjus Bukovyna LLC	2025
Metal cabinet with mounting panel	Dnipro	Agro-Oven LLC	2025
2KTP-1600 kVA 10/0.4 kV (Sandwich) including: KZO cell "Input-1(2)" No. 1, 10 KZO cell "Transformer T-1(T-2) Protection" No. 4, 7 KZO cell "Sectional Switch SV" No. 5 KZO cell "Sectional Disconnecter SR" No. 6 KZO cell "Voltage Transformer TV-1(TV-2)" No. 2, 9 KZO cell "Reserve", main distribution block ВЩО-1 (ВЩО-2) Switchboard panel "Input-1(2)" No. 1 Switchboard panel "Sectional" without ATS No. 4 Switchboard panel "Line" No. 3, 5 Switchboard panel "KKU 30/40 Var-1" No. 6 Switchboard panel "Input-2" No. 9 Busbar 0.4 kV BM-1 (BM-2) Power transformer TMG 1600/10/0.4 kV (standard) Block-modular building 2KTP: 1600 kVA 10/0.4 kV, 84.8 m ² – 10800×8000 (L×W), busbar 0.4 kV BM-1 (BM-2)	Lviv	Formatsiya Syhnyvka LLC	2025
KRU-6 kV cells "Voltage Transformer TV" No. 2 KRU-6 kV cells "Line KGU" No. 3, 4 with compartment for TV KRU-6 kV cells "TBP"	Dnipro	NVP Volten LLC	2025
Block-modular building KRPS-6 kV: metal, main and emergency lighting, heating, ventilation, internal grounding, socket network, fire alarm system, cable products, cable trays	Dnipro	NVP Volten LLC	2025
2KTP-1000 kVA 10/0.4 kV transformer substation	Kyiv region, Trebukhiv village	PowerElectric LLC	2025
KZO-10 kV cells	Ivano-Frankivsk region, Yamnytsia village	SolarStalConstruction LLC	2025
Block-modular building Auxiliary transformer 40 kVA Auxiliary switchboard KRPS-6 kV	Yamnytsia village		
KZO cells No. 6,19 "Input" KZO cells No. 4,7,18,21 "Transformer No.1(2,3,4)" KZO cells No. 12,24 "TV-10 kV 1v Ilc" KZO cell No. 23 and "Auxiliary Transformer No.1(TPV1/TPV2)" KZO cell No. 12 "Sectional Switch SV" KZO cell No. 13 "Sectional Disconnecter (SR+DS)" Busbar MS-10 kV class II Power quality analyzer class A LINAX PQ5000-1111008U	Kyiv	Engineering and Installation Company BK LLC	2025

Electrical switchboard supply: – KTP (C) 25–160 kVA — 100 pcs – KTP (M) 100–400 kVA — 50 pcs	Donetsk	DTEK Donetsk Electric Networks JSC	2021
Supply and installation: – LV main distribution board – Floor distribution boards with metering	Dnipro, BC “Pixel Plaza”	—	2021
Electrical switchboard supply for 4th section: – LV main distribution board 1,2,3 StreamLine series – Ventilation control panels F-Control – Metering panels C-Box	Dnipro, Kostomarovska Street	Premier Bud Construction Company LLC	2021
Electrical switchboard supply: 2 KTP 1600 kVA 10/0.4 kV block type; dry transformers 1600 kVA; Elettromeccanica Piosasco; SN cells MVC series; 0.4 kV PowerLine 5000A panels; 600 kVAr reactive power compensation cabinet Q-Box series; own needs cabinet	Epicenter K, Dnipro, 16 Barykadna Street	Kudashevskiy LLC	2020
Electrical switchboard supply: medium voltage KSO 272 series cells; 0.4 kV PowerLine 630A panels	Vinnitsia, 54 S. Zulinsky Street	DTEK Donetsk Electric Networks JSC	2020
Electrical switchboard supply: 2 KTP 630 kVA 10/0.4 kV; medium voltage KSO 393 series cells; 0.4 kV PowerLine 1000A panels	Kramatorsk	—	2020
Electrical switchboard supply: ventilation control panels F-Control; metering panels C-Box; 0.4 kV 300 kVAr reactive power compensation cabinet Q-Box; 0.4 kV PowerLine 1000A panels	Kostyantynivka, Kalmykova Street	—	2020

SUPPLY OF ENERGY EQUIPMENT

part 11/11

Type of Equipment	Project / Location	Client	Date
Electrical switchboard supply: KTP 2000 kVA 10/0.4 kV; modular type 10 kV RP (telemechanics cabinet, own needs cabinet, SN cells MVC series)	Mezhova, Mezhyvskiy district, Dnipropetrovsk region	SolarField-1 LLC	2020
Electrical switchboard supply: RPH 110/10 kV control cabinet	Mohyliv-Podilskiy, Vinnytsia region	Vinnytsiaoblenergo JSC	2020
Electrical switchboard supply: block transformer substations 0.8/35 kV 2000 kVA; 35 kV VRU blocks	Mala Bilozirka, Zaporizhzhia region	KD Energy 2 LLC	2019
Electrical switchboard supply: 6 kV medium voltage KSO 272 series cells	Dnipro, 1 Zoryany Boulevard	CEEK PEEM PJSC	2019
Electrical switchboard supply: 6 kV medium voltage MVC series cells; PowerLine 1600A panels; KTP 1000 kVA 6/0.4 kV; telemechanics cabinet	Maryanske, Apostolivskiy district, Dnipropetrovsk region	Solar Park Maryanske LLC	2019
Electrical switchboard supply for residential complex: StreamLine 1,2,3 series LV main distribution board; F-Control ventilation control panels; C-Box metering panels; floor distribution boards	Hrebinka, Poltava region	Sunny Energy 2017 LLC	2019
Electrical switchboard supply: block transformer substations 0.8/35 kV 2000 kVA; 35 kV VRU; block ZPU; 35 kV circuit breaker protection cabinet; 0.4 kV own needs cabinet; 55 Ah own current cabinet	Dovbysh, Zhytomyr region	US Solar LLC / Slavybud LLC	2019
